

Akbar Alauddin Mujahid

Java Developer | Software Engineer

+91 7039965293 | akbarmujahid1114@gmail.com | [GitHub-Akbar](#) | [LinkedIn-Akbar](#) | [Portfolio](#)

EDUCATION

University of Mumbai , Saraswati College of Engineering, Kharghar <i>Bachelor of Engineering in Computer Engineering</i> CGPA – 8.11	May 2026
M.H Saboo Siddik Polytechnic , Byculla Diploma in <i>Information Technology</i> Percentage – 85.56	June 2023

TECHNICAL SKILLS

Programming Languages: Java, JavaScript, Python, PHP, SQL, C/C++

Frontend: Next.js, HTML, CSS, Tailwind CSS

Database & Backend Services: MySQL, Firebase

Developer Tools: Git, GitHub, VS Code, Android Studio, Eclipse, Google Colab, Canva

Fundamentals: Object-Oriented Programming (OOP), Data Structures & Algorithms, DBMS, Operating Systems, Computer Networks

PROJECTS

Re-Source – Campus Resource Exchange Platform | [GitHub](#)

Next.js | Firebase | Tailwind CSS

- Developed a campus-exclusive platform for students to buy, sell, lend, and donate academic resources.
- Implemented Firebase Authentication with college email verification and used Firestore for real-time data storage.
- Built categorized listings with search and filtering by department, semester, and subject to simplify resource discovery.

ClipFetch – Multi-Platform Video Downloader | [GitHub](#)

JavaScript | Node.js | HTML | CSS | yt-dlp | FFmpeg

- Developed a web-based application to download videos from multiple platforms with selectable download quality.
- Integrated yt-dlp and FFmpeg to process media downloads and support multiple output formats.
- Implemented features including thumbnail previews, download history, and progress tracking to improve user experience.

EXPERIENCE

A to Z Computers — Computer Hardware Intern

Jul 2022 - Sep 2022

- Diagnosed hardware issues and assisted in computer system assembly, component installation, and compatibility testing.
- Developed practical troubleshooting and technical problem-solving skills through hands-on experience.

TRAINING & CERTIFICATIONS

- **Preparation Course for Hiring Assessment** — EduBridge (Grade A, 85%)
- **Certification in Software Development Program** — EduBridge (Grade A, 80%)
- **Introduction to Cyber Security** — Infosys (Dec 2024)
- **Python for Beginners** — LMT (Jul 2024)
